14.4 million Americans experienced identity fraud in 2018[1]

Protect your family's privacy, identity, and finances with **PrivacyArmor® Plus**

Comprehensive identity monitoring

Our proprietary monitoring platform detects high-risk activity to alert you at the first sign of fraud. We scour the dark web for compromised credentials and monitor financial transactions, all while keeping tabs on your credit reports.

Fraud remediation and restoration

Should identity theft or fraud occur, you have a dedicated Privacy Advocate® to fully manage your recovery and restore your identity. And since fraud doesn't take a holiday, our Privacy Advocates are available 24/7.

Identity theft reimbursement

You never have to worry about covering the costs of identity theft. PrivacyArmor Plus' $1 million identity theft insurance policy[†] covers any out-of-pocket expenses, lost wages, or legal fees. Plus, we'll reimburse funds stolen from your bank, HSA, or 401(k) accounts.
