***Longevity Step**

For the 2002-2003 school year, the Board of Education voted to have steps 1-3 be the same amount on each lane.

Board increases and stipends are granted at the discretion of the Board of Education and included on each step.

Board increases and stipends will remain unchanged unless acted upon by the Board of Education.

Board Increase \$600 granted July 2013

Board Job Stipend \$5,000 granted December 2019

Although the USD Board of Education cannot compel the actions of future boards, at this time, it is the intention of the USD Board of Education to keep the \$5,000 stipend in place for employees who have elected to remain on the Legacy Salary Schedule.

Note: The Legislative increase will be given to those employees that meet the requirements in HB 215, and qualify on the "Educator Salary Adjustment" CACTUS report.

Note: The Legislative increase will be included on the salary schedule as long as the legislature continues to fund the increase.

Employees with a PHD or EDD will receive a \$1,000 stipend, paid on a voucher at the end of the contract year.

Notes:

Those that remain on the Legacy Teacher schedule will be notified when it benefits them to shift to the Certified Instructional Salary Schedule.

When steps, lanes and a percent on the base are given to the Certified Instructional schedule, the Legacy schedule will receive an equivalent amount.

This is a grandfathered Legacy schedule, and no new employees will be added to this schedule.

The Board of Education Approved this Salary Schedule on June 14, 2023
